

THE ITALIAN FISH & SEAFOOD EXPERT

since 1972

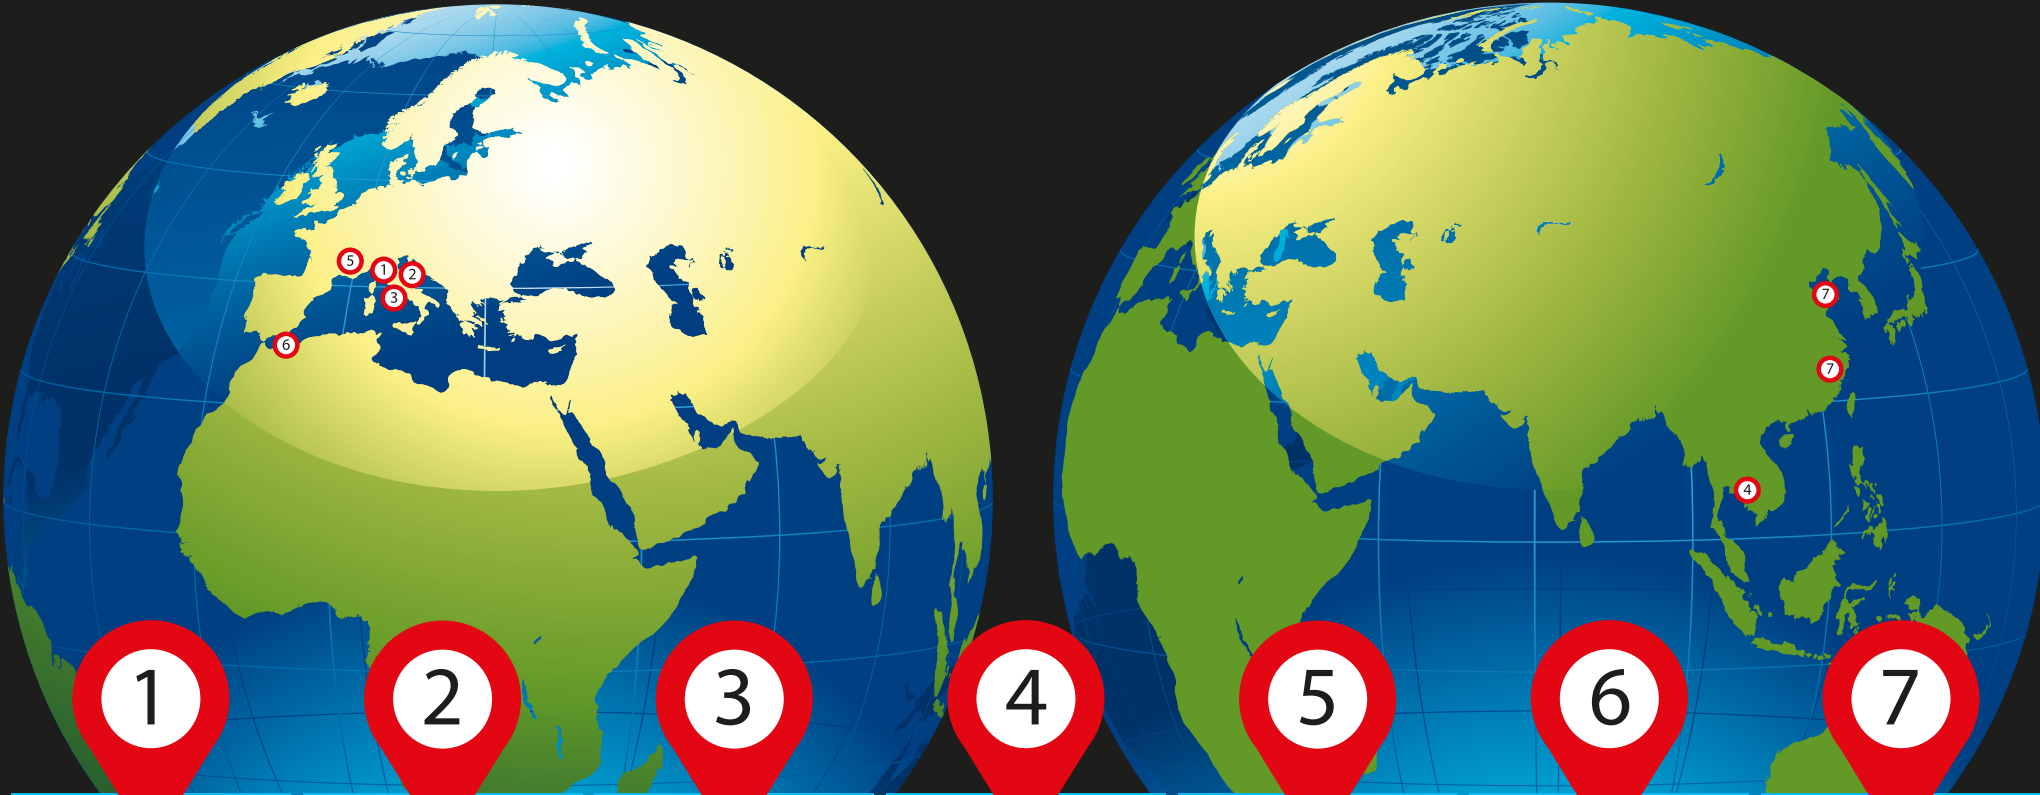

Founded in 1965 and headquartered in Tuscany, **Panapesca** controls and directly manages largest part of the value chain: starting from direct supply of high-quality raw material worldwide, processing in its own production plants and distributing to large mass market retailers, restaurants, food chains, etc.

In Dec 2018 **Panapesca** was bought by Xenon Private Equity, leading an extensive company growth and internationalization process.

Panapesca owns three production plants: one in Italy (the HQ), one in Morocco and one Thailand as well as several companies worldwide:
